Success stories

⇒ *Thank you for a fantastic time! 3 days , 6 shoots, each shoot was the best dove shoot of my life! Surprise out of the mesquite- head on and flanking shots, snap shooting! White wings grouping over the milo swinging back with the wind behind them! Attacking my position in squadrons - trying to shoot far out and having them fly into shot- a hit and a dove meteorite hits the field kicking up dirt on impact ! A Real dove shoot! The bird boys retrieve the dove , you don't shoot if irretrievable , and your count is only what you pick up! Dove kabobs , dove poppers , dove pie, Dos Equis, margaritas , and wine! Thank you again. Cavi is a true sportsman and a wonderful host with a very accomplished staff !*

⇒ *Thank you for hosting what for me was dove hunts of a lifetime! The shooting opportunities were limited only by your ability to reload. Easily 10-15 box hunts . The action was so intense I began really looking forward 11:00 margarita and dip in the pool after the morning hunt. All of the staff were amazing and went to great ends to make me feel special. Looking forward to my next trip to La Marina del Rio.*
