- DOVE SHOOTING LODGE IN CORDOBA, ARGENTINA -

WELCOME

SINCE ITS OPENING IN 1995, THIS AMAZING LODGE HAS BEEN ONE OF THE PREMIER HIGH-VOLUME DOVE HUNTING LODGES IN ARGENTINA. PERFECTLY LOCATED BETWEEN THE TWO MOST PRIZED DOVE ROOSTS IN CORDOBA, IT OFFERS SUPERB HUNTING YEAR-ROUND. IN 2010, THE LODGE WAS PURCHASED BY OUTFITTERS DAVID PEREZ AND ALEX MITRI. TODAY, THE LODGE IS BETTER THAN EVER, OFFERING GREAT ARGENTINA DOVE HUNTING AT ITS VERY BEST, LUXURY LODGING AND SUPERIOR SERVICE.

This lodge has always been a client favorite for its amazing dove hunting and its privacy. The lodge can be reserved entirely in private with as few as six clients. There is no additional surcharge for private rooms. This is ideal for families, small groups of friends and corporate outings. The feel of the lodge is very warm, making you feel right at home. The lodge has six very comfortable rooms each with a fireplace and private bathroom. The rooms are separate from the dining room and living room areas by a beautiful patio. Inside the living room, there is a very old "Gaucho" bar with a structure that dates back to the late 1800s. This is a truly amazing place to enjoy a cocktail after the day hunt. A heated Jacuzzi was also recently built to help alleviate the sore shoulders. In addition to some of Argentina's best dove hunting, our hunters are treated to great service, fine dining, wonderful regional wines and the warmest Argentine hospitality.

THE EXPERIENCE

THE SHOOTING

THIS LODGE OFFERS ACTION PACKED DOVE HUNTING YEAR-ROUND AND HAS ACCESS TO OVER 160,000 ACRES OF CORDOBA'S BEST DOVE HUNTING FARMS AND FIELDS. THE UNPARALLELED NUMBER OF SHOOTING VENUES DISTINGUISHES THIS LODGE FROM OTHER CORDOBA DOVE HUNTING OUTFITS AND ALLOWS FOR GREAT SHOOTING THROUGHOUT THE CHANGING SEASONS.

During Argentina's summer months of December - March, the long days and highly concentrated birds translate into the best volume shooting of the year. The dove hunting during this stretch is done mostly near the famous Macha hills and surrounding farms. During the heavy harvesting months of April, May and June, the doves are found mostly on large Cordoba estancias about 1 hour from the lodge. Due to its strategic location, this lodge is the only one open during these months. In July, during Cordoba's early winter, mild temperatures and clear skies make for perfect hunting conditions. From August – November, the late winter and springtime dove hunting takes place in the hills and offers fantastic weather.

Most importantly, we have the ability to pick from the best fields Cordoba has to offer. Clients can easily choose fields that provide fast, flat land shooting or tall, difficult shots near the hilly areas. Dove shooting here is as good as it gets!

WHY CHOOSE US?

The lodge was originally positioned in the crowded Cordoba market as the place to go if you have a small group and want a private setting. With a group size of only 6 people the entire lodge is reserved exclusively for your group. The lodge was built with this idea in mind. The beautiful lodge and private setting allowed us to host some of the most affluent groups that come shooting in Cordoba. To cater to these high-end clients, everything had to be perfect. Everything from the lodging, shooting and service is constantly being improved. Today we are proud to attract clients not only because of the private setting, but also because we provide one of the best all-around dove hunting experiences in the world. To that end, this lodge was recognized in 2015 as an Orvis Endorsed lodge.
